

Finding the right Qualified Product List

The LLLC Initiative promotes luminaire-level lighting controls that are listed on **DesignLights Consortium's® Qualified Product List (QPL)**. This list serves as a reliable resource for efficient lighting solutions, including broader networked lighting controls. To access the current list, follow the steps below.

1. Create Account

Sign up for a free MyDLC account using the link www.designlights.org/qpl/.

2. Select Networked Lighting Controls

Search for your ideal luminaires using the **Browse Qualified Products** function in Networked Lighting Controls.

3. Find Integral Controls in drop down menu

In the 'Search Criteria' Menu, click on 'Integral Controls' and select 'LLLC (Control + 2 Sensors)'.

To download the full list, go the **QPL Downloads Page**.

For assistance in accessing a copy of DLC's Qualified Products List and finding products that suit your specific needs like brands, control systems, form factors, or retrofit needs, email info@mnLLLC.org.

For more information, visit www.mnLLLC.org.

LLLC Initiative is a statewide program under Minnesota's Efficient Technology Accelerator, a partnership funded by the state's investor-owned utilities, administered by the Minnesota Department of Commerce, Division of Energy Resources, and implemented by Center for Energy and Environment.
